

# LG OLED TV

804106903

Please read this manual carefully before operating your unit and retain for future reference.

## Important Safety Instruction

- Read all instructions.
- Keep instructions.
- Hear warning.
- Follow instructions.
- Do not use electrical equipment near water.
- Clean only with dry cloth.
- Do not block any ventilation openings. In all cases do not block the bottom ventilation openings.
- Do not install near any heat source, such as radiators, heat registers, stoves, or other apparatus that produce heat.
- Do not cover the only purpose of the polarized or grounding-type plug. If you cannot fit the plug into the outlet, contact a electrician for replacement of the obsolete outlet.
- Protect the power cord from being walked on or pinched particularly at plugs, convenience receptacles, and the point where they exit from the apparatus.
- Only qualified service persons should handle internal components.
- The only with the care, used, visual, visual, and/or visual. Test by the manufacturer, model with the same. When a car is used, or a car when moving the car, particular attention is required.

- Unplug the apparatus during lightning storms or when unused for long periods of time.

- Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power supply cord or plug damaged, liquid has spilled or objects have fallen into the apparatus; the apparatus has been exposed to moisture, does not operate normally, or has been dropped.

By using this product, you agree that I accept the following terms of use in my way to this product. The customer must indicate whether the problem can be resolved easily through reading about it in the manual.

### Before reading this manual

- Read the manual thoroughly before operating your TV and retain for future reference.
- On the website you can download the manual, including installation, using troubleshooting, specifications, how to start, how to use or your TV.
- User guide information about the TV and the US/EN/UK embedded in the product. (Learning mode)
- Tap the **INFO** button → **②** → **①** → **[Support] → [Learn]**.

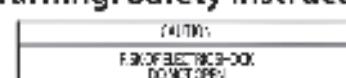

### Optional Extras

- Optics connection is connected to the quality of connection with any addition. Contact your dealer for buying these items. These devices are not included in the price.
- Headphones or earphones may be charged due to the manufacturer's circumstances or policies.
- Cable or antenna extension device must be purchased separately.

### Note

- Product specification or parts of it may change without prior notice due to technical features.
- It is recommended with your dealer, may vary according to the model.
- Information may differ from your TV.

## Warning! Safety instructions

CAUTION TO REDUCE THE RISK OF ELECTRIC SHOCK DO NOT REMOVE COVER (OR BACK). NO USER-SERVICEABLE PARTS INSIDE. REFER TO QUALIFIED SERVICE PERSONNEL FOR REPAIRS.

The symbol is intended to alert the user to the presence of an isolated dangerous voltage within the product's enclosure that may be of sufficient magnitude to constitute a risk of electric shock to persons.

The symbol is intended to alert the user to the presence of important safety and maintenance (including cleaning) instructions in the literature accompanying the article.

WARNING TO ADULTS: IF THE REMOTE CONTROL AND TELEVISION SHOOT, CONTACT MANUFACTURER OF THIS PRODUCT OR RETURN TO PURCHASE.

- TO AVOID THE RISK OF FIRE OR ELECTRIC SHOCK, DO NOT EXPOSE THIS PRODUCT TO RAIN OR MOISTURE.

- Do not place the TV and remote control in the following environments:

- Exposed to direct sunlight.
- Around a high humidity area or bathroom.
- Locations where such dust and other debris are present.
- Near kitchen areas or humid areas where they are easily exposed to steam or heat.

- Areas where children are crowded.

- Direct exposure to water or steam, such as near the sink or shower, near the tub.

Keep the remote control away from the TV to prevent damage.

Do not install in extremely hot places.

Otherwise, this may result in the electric shock, combustion or explosion or product deformation.

- Ventilation

Install your TV where there is proper ventilation. Do not install the TV in a space where heat becomes.

Do not install the product on a carpet or cushion.

Do not block or cover the product with cloth or other items while using it.

Do not block or cover the ventilation holes with paper or tape.
