

PRESS TOOLS

ROMAX Compact III

The ROMAX Compact III is a lightweight, cordless press tool designed for fast, reliable pipe connections up to 1¼". Ideal for overhead and tight-space applications, it features one-handed operation, a powerful hydraulic system, and long-lasting battery performance for efficient, all-day use.

R-System Label

Jaw matching indicator reduces misuse risk of attaching incompatible jaws

Black Colored Parts

New coloration of jaw fixture and bracket give the machine a high-end-look

Push-2-Lock-Knob

Jaw locking system (spring-loaded knob) allows convenient attaching/ detaching of press jaws

Balanced Design

Optimized in weight and size for better machine handling in daily use

Bluetooth® Inside

Connects the machine with the ROTHENBERGER App
