

# ThinkCentre M90q Gen 5

Equipped with up to 14th Gen Intel® Core™ i7 processor, 64GB DDR5 memory, and 4TB SSD storage, this desktop facilitates swift data analysis and multitasking. It is ideal for professionals handling large datasets, financial models, and architectural plans, ensuring efficient system management, research, strategy development, and result delivery. Portable and robust, it empowers users to maintain high productivity and make informed decisions.

## Empowering the modern workforce with a streamlined desktop experience

ThinkCentre M9 Series Tiny desktops offer compact yet powerful computing capabilities for modern professionals, boasting high-performance specs, versatile connectivity options, and space-saving design, ideal for diverse workplace environments.

Equipped with Intel® UHD graphics, the compact 1L desktop supports four displays, ideal for multitasking professionals in healthcare, finance, software, media creation, and field research needing efficiency and high performance.

Wi-Fi 6E ensures ultra-fast connectivity, ideal for efficient data transfers; USB-C/A, DisplayPort, and HDMI ports offer versatile compatibility, equipping professionals to adeptly manage complex, data-intensive tasks from their desks.

With a Tiny (1L) form factor, it maximizes space efficiency, ideal for compact environments. It offers powerful performance while minimizing footprint, perfect for office setups requiring sleek, space-saving solutions.

# Lenovo Services

Lenovo delivers tailored sustainability services, devices, and infrastructure solutions from our broad portfolio, working closely with you to support your target outcomes across the IT lifecycle..

## On-site Service

- On-site support if needed
- Normally next business day service
- Agreed appointment times

# Accessories

## ThinkVision MC50 Monitor Webcam

- 1080p webcam with 1/2.9-inch large sensor delivers super video clarity
- Flexible setup by tilting up to  $\pm 30^\circ$  and swiveling the camera  $-45^\circ$  to  $225^\circ$  to be in the position for your needs
- Anti-theft locking functionality with a physical key

PN: 4XC1D66056

## ThinkVision T34w-30 Monitor

- Its 3-side near-edgeless, immersive 34-inch WQHD curved display gives a wider view for enhanced productivity.
- Connect and power-up swiftly and efficiently with the one-cable USB-C up to 75W PD port.
- The monitor's enhanced lift range gives users the flexibility to work in the most comfortable posture.
