WE CAN ALL RIDE

NO MATTER WHO YOU ARE, WHERE
YOU'RE FROM OR WHERE YOU WANT
TO GO, THERE'S A CAN-AM MODEL
THAT'S MADE FOR YOU.

A UNIQUE EXPERIENCE

Nothing compares to the 3-wheel experience, on-road.
Enjoy riding, without the motorcycle licence

A CONTROLLED THRILL

Open-air riding in comfort, stability, and safety.

AN INCOMPARABLE STYLE

Get ready to turn heads! There's a ride to reflect your
personality and lifestyle.

3 REASONS TO RIDE 3-WHEEL

EASY TO RIDE

Grab life by the handlebars and experience limitless freedom with a Can-Am On-Road vehicle that's as easy to ride as it is exhilarating. With a quick learning curve to riding, all you have to worry about is conquering the curves on the road.

GO FURTHER

Engineered from the ground up with performance that offers you confidence and peace of mind, so you can squeeze every last ounce out of every road and push your limits to the very brink.

CRUISE IN CONTROL

With its incomparable look, two wheels in the front and one in the back, there's no road you can't conquer. Every Can-Am On-Road vehicle is designed for ultimate stability so you can handle every twist and turn the road throws at you.

AT CAN-AM, WE AIM TO EMPOWER PEOPLE FROM ALL WALKS OF LIFE TO RIDE RESPONSIBLY AND MAKE POSITIVE RIDING EXPERIENCES ACCESSIBLE FOR ALL — WITHOUT COMPROMISING ON THE ADVENTURE AND THRILLS THEY LOVE.

RESPONSIBLE RIDER

Our Responsible Rider programme is part of our commitment to making every 3-wheel journey as safe as it is thrilling.

WHICH LICENCE DO I NEED?

* In the UK, you can ride Can-Am On-Road vehicles with a car licence (B) from the age of 21 years old. In Norway and Finland, you can ride Can-Am On-Road vehicles with a car licence (B) under certain conditions. More details on A and B licence requirements at canamonroad.com/licence. For all other countries, please ask your local authority.

From a touring experience for two atop the RT Limited to a blissfully comfortable ride on the elegant RT Sea-to-Sky, these are vehicles made for explorers.

UNLEASH THE FUN

RYKER FAMILY

THE CAN-AM RYKER MODELS ARE MADE TO SLAY CORNERS, DISCOVER FORGOTTEN PLACES, AND BRING A FRESH ENERGY TO THE ROAD. WANT TO HOP ON AND GO?

canamryker.com

EXPLORE

RIDE EASY

Whether you're new or a seasoned rider, the Can-Am Ryker was built for you. With an effortless twist-and-go automatic transmission and state-of-the-art technology, you'll feel like a natural on the road.

HAVE A BLAST

The Can-Am Ryker lets your inner child play. With a lower seating position, you'll feel in control and take on every curve. Plus, you can add to the excitement with Sport Mode and Rally Mode on select models!

GO ANYWHERE

Explore the streets or go off on dirt roads—this ride can handle it. With higher ground clearance, it's capable of going beyond the pavement and into new territory. See how far you can take it.

BOOK A DEMO

KEY STANDARD FEATURES

TWIST & RIDE

The automatic transmission delivers effortless drive and great fuel efficiency. Now you've got more time to admire the scenery and adventures ahead.

RIDER-FOCUSED SAFETY SUITE

Anti-lock brakes (ABS), traction and stability control co-developed with BOSCH† are the confidence-inspiring technologies that keep Ryker planted to the road.

TOOL-LESS RIDER SEATING ADJUSTEMENT

Ryker is sized for you with innovative ergonomic features like standard, adjustable foot pegs, brake pedal, and handlebar. Why? To bring the open road within reach of more riders.

PRACTICAL TIPS

A GUIDE TO DEALERSHIPS

Stepping into a dealership can feel a little intimidating for new to powersports... Let's explore how to buy a Can-Am Ryker or Spyder and tackle the dealership experience with confidence.

COME PREPARED

Before your visit, put together a list of questions about the 3-wheelers you're curious about. A good place to start is the website canamonroad.com, where you'll be able to browse through different models, available colours, unit prices, accessories, and more. You should also be able to quickly summarize what you're looking for during this particular visit, in a sentence or two. Are you just looking or coming for a demo? Are you ready to buy a vehicle? How will this vehicle fit your lifestyle? Is it only for weekend road trips or everyday use? This info will help the staff best serve you.

ASK FOR HELP

Even if you did a bunch of research before your dealership visit, it's okay if you don't understand every aspect of the product info. You should never hesitate to mention things you aren't sure about: asking lots of questions doesn't mean you're inexperienced, it just means you're curious and enthusiastic! Be open to professional guidance and remember that the dealership staff is there to help.

STEP WITH CONFIDENCE

Walking into a space with confidence is much easier if you know your way around. So, before you visit your local 3-wheel motorcycle dealership, get familiar with what awaits you in the showroom. The classic BRP showroom is a modern open space, with room for browsing and exploring your way around each Can-Am Ryker or Spyder. Inside, you'll find demo vehicles, a dedicated section for riding gear, and another for accessories. You will also find the Ryker Design Lab, an interactive display allowing customization of your future Can-Am Ryker directly through a touchscreen TV in the showroom.

WHAT DO YOU WEAR WHEN RIDING A CAN-AM?

What you wear while riding is a matter of personal preference, but there are some safety items that are mandatory to protect your health and well-being. All drivers and passengers must wear a helmet and eye protection is always a good idea. Protective riding gear is highly recommended, even compulsory in some countries, specifically gloves as your hands are exposed on the handlebars and can catch rocks. Most riders will expand this coverage to include protective riding boots, pants and jacket – not only to keep them protected from being exposed but also to stay warm and or dry, depending on the riding conditions. In cooler conditions you will want warmer gear, while riding on warmer days the vented gear will allow air flow to keep you cooler and dry. On rainy days you will still be able to ride with a proper rain jacket and pants.

Can-Am On-Road offers a full line of riding gear and accessories specifically designed for your Can-Am Spyder or Can-Am Ryker for all riding conditions! Have a look at canamonroad.com/apparel or visit your local dealer.

canamonroad.com/get-started

MORE TIPS

SOME OF OUR MOST PASSIONATE CAN-AM OWNERS RELIVE THE MEMORIES OF THEIR FIRST RIDE ON A CAN-AM VEHICLE. GET READY TO MAKE YOUR FIRST RIDE ONE TO REMEMBER...

TESTIMONIES

BREHANNA DANIELS, CAN-AM RYKER OWNER SINCE 2021

"When I first started riding out, I was on a lot of turns and curves and I'm like I'm riding this, I feel like I'm in an action movie! I definitely felt comfortable off the bat. So pretty much just me, just believing and just knowing I could do it"

"What am I telling to somebody who's about to ride their Can-Am Ryker for the first time to just chill, relax and just have fun. No need to overthink things, you're going to enjoy it."

JOSH WRIGHT, CAN-AM RYKER OWNER SINCE 2020

"People were honking at me, asking questions like - What is that thing? How much does it cost? I remember feeling like a celebrity."

"As much as it looked like I was in a video game, I've honestly never felt more alive."

TOM DORCEY, CAN-AM SPYDER OWNER SINCE 2011

"On the Spyder, I found that I could enjoy the view, enjoy the ride. I didn't worry about all those things I do when I was on 2 wheels like the wind from a passing semi or the wet asphalt on a spring shower. Riding the Spyder gave me and my wife the ability to relax and enjoy the ride, and feel comfortable when we got to where we wanted to go"

"We rode [...] through rain, wind, some terribly cold mornings, and the Spyder performed flawlessly."
