

Technical parameter 1. Input voltage / current: 5V / 1A 2. Built in battery capacity: 3.7V/800mah 3. Output power: 3W / 1 4. Passive radiator: 1 6030mm¹ 5. Frequency response range: 100Hz ~ 20kHz 6. SNR: 90dB 7. Audio interface: TF Card / USB / AUX 8. Bluetooth version: V1.50 9. Bluetooth distance: 10M 10. Music playing: 4-6 hours 11. IPX-2: Protects from vertically dripping water at a 15 degree angle	WARNING: 1. This product's use may do not be effective unless use without adult supervision. 2. Donnot push the product by the fire or expose the surface of high temperature (infraradiance) exposures. 3. Donnot leave it away batteries. 4. Do not use the product while driving or engaged while operating machinery. 5. Do not use the product while driving or engaged while operating machinery. 6. Do not use the product during driving while it is an offender of local laws in some regions. Users should check with local authorities and decide the usage of the product under their own responsibility. 7. Do not use the product at a high volume for any long time out of it. This may lead to hearing damage. 8. To avoid hearing damage by sudden loud sound, please minimize the volume of the playback device before connecting the product to the playback device. 9. Do not disassemble, modify or attempt to repair the product. 10. To prevent fire or shock hazard, please disconnect the unit from Charger when charging. 11. In case of liquid leakage from the battery, do not touch with bare hands. If liquid falls on the eye, do not rub, please flush with plenty of clean water immediately and consult a doctor if necessary. 12. Do not use the product while driving or engaged while operating machinery. 13. Please refer to the user manual for the correct use of the product.	CAUTION: 1. Lithium batteries must be recycled. See the endnotes on the box. 2. Only charge the unit with USB or CV. 3. Charge batteries on a fireproof surface and away from flammable items or liquids. 4. Battery should NEVER be left unattended while charging. Charging should only be done by an adult or under adult supervision. 5. Follow the charging instructions in this manual and unplug the charger once the unit fully charged. 6. Please Charge the product every 1 month if you need to use the product often. The battery might become unusable if it is fully discharged. 7. The product is waterproof, please do not put the product into water or let it get wet. 8. Avoid connecting/reconnecting under sunlight or hot, humid or dusty places. 9. This product is designed for music playback and phone or computer use, please visit it a responsible way. 10. The product performance is neither affected by radio waves interference, please try to use away. 11. Connect the equipment with wireless signal if any performance degradation. 12. Do not connect the unit to all other power source hard surfaces, the internal circuit may get damaged. 13. Do not use the unit with water with daily dry daily dry, do not use it in swimming pool. 14. If you feel anything abnormal about the product during use, STOP using it immediately.	FCC INFORMATION: NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the Instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If the equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: • Reorient or relocate the receiving antenna. • Increase the separation between the equipment and receiver. • Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. • Consult the dealer or an experienced radio/TV technician for help. CAUTION: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment. This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.	WARRANTY INFORMATION: Masell warrants this product to be free from all defects for a period of 90 days from the date of original purchase. This warranty does not apply to normal wear or damage due to accident, abnormal use, misuse or neglect. This warranty only applies to personal and individual use of the product and not for commercial, institutional or any other use. Any defective item will be replaced, at no charge, upon reasonable confirmation by Masell of defective condition. If returned with proof of purchase to an authorized Masell dealer or directly to Masell Warranty Department, 3 Garret Mountain Plaza, Suite 300, Woodland Park, New Jersey 07424. Neither Masell nor any authorized Masell dealer shall be liable for consequential damages arising from this Warranty, unless otherwise provided by law.
