B.Control Smart Bulb by Voice

After Alexa is linked to your "Gosund" APP, you can now control the bulb via Echo.

1.Discovering device simply say to Echo: "Echo (or Alexa), discover my device." or choose "add device" to discover the smart bulb. Echo will start to find the device which is added in "Gosund" APP. It will take about 20 seconds to show the result. Or you may click "Discover device" on the Alexa APP, it will successfully show available devices.

Note:Echo is one of the wake-up name, the other two names are Alexa and Amazon.

2.Support Skill List

You can control devices by instruction like below:

"Alexa, turn on/off(name of the smart bulb)"

"Alexa, turn on the light."

"Alexa, turn off the light"

Note: The name of the device must be consistent with the name of the bulb on the "Gosund" APP. The name is recommended to use easy pronunciation of English words. (Amazon Echo just supports English temporarily.)

▶ After-sale & Warranty

All Gosund products come with a limited warranty of 24 months from the date of purchase. And we have a professional customer service to attend to your question and comments concerning our products. Please do not hesitate to contact us at our Official Facebook page.

We will do our best to help you resolve any problems you might have about our products until you are satisfied. We appreciate your support and cooperation.

▶WEEE Disposal and Recycling Information

All products bearing this symbol are waste electrical and electronic equipment (WEEE as in directive 2012/19/EU) which should not be mixed with unsorted household waste. Instead, you should protect human health and the environment by handing over your waste equipment to a designated collection point for the recycling of waste electrical and electronic equipment, appointed by the government or local authorities. Correct disposal and recycling will help prevent potential negative consequences to the environment and human health. Please contact the installer or local authorities for more information about the location as well as terms and conditions of such collection points.
