- 1.Two or more people are required for assembly.
- 2.A ladder and electric drill may be necessary.
- 3.Do not erect the structure in heavy winds or inclement weather.
- 4.Do not leave up this unit for extended periods of time, as it is not a permanent structure or designed to withstand sustained wind or rain. It is a temporary, portable shelter that shields you from sunlight and rain. The screens also block flying insects.
- 5.Do not use candles, matches, or any open flames near the tent.
- 6.To better align the screws for practical situations, do not fully tighten screws initially.
