

2019 Golf SportWagen Buyer's Guide

Everything a wagon should be and more.

Golf SportWagen top features

Execline trim with available bike holder attachment

Available 4MOTION® All-Wheel Drive

Mother Nature making you nervous? Get a grip. When roads are rough and rocky, or slick and slippery, 4MOTION® All-Wheel Drive transfers torque between the front and rear wheels for all-wheel-drive performance when you need it and front-wheel-drive practicality when you don't.

Cargo space for days

The Golf SportWagen is road-trip ready, with 60/40 split-folding rear seats giving you more possibilities. You get the cargo space of an SUV and the nimble feeling of a car.

Available panoramic sunroof

Like that spacious feeling? There's a wagonful in the Golf SportWagen. With just the touch of a button, the front-to-back-row panoramic sunroof brings an airy and comfortable atmosphere to every drive.

Cross Differential System (XDS)

The more winding the road, the better. The Cross Differential System automatically brakes the inside wheel of the car slightly and directs power to the outside wheel for sportier, sharper and more confident cornering.

Available Fender® Premium Audio System

From the company famous for guitars, amps and concerts of a lifetime, the 400-watt Fender® Premium Audio System brings concert-hall clarity along for the ride.

Execline trim in Peacock Green Metallic

Designed for doers and cruisers

The 2019 Golf SportWagen is the ultimate multitasker. Its SUV-sized cargo space and smartly designed interior make this wagon equal parts business and pleasure. Whether you're running errands in the city or planning the occasional weekend getaway, the spacious and versatile Golf SportWagen has all the key ingredients to keep you feeling comfortable and cool, no matter what you're packing in the back.

Play safe

The 2019 Golf SportWagen knows how to have fun, but it also knows how to help keep you safe. Blind Spot Detection. Adaptive Cruise Control. Front Assist and Lane Assist. Automatic post-collision braking system. All the latest safety innovations are available in the Golf SportWagen.*

*Driver assistance features. Drivers must continue to perform manual checks and pay full attention to the road and safe driving. Please review the owner's manual for feature limitations.

Make it yours

Choose the paint, upholstery and wheels that will make your Golf SportWagen number one in your heart, and the envy of all your friends.
