FAQ

Q. How to connect the earphones to another device?
A. Simply turn off the bluetooth from your connected device and follow the "How to pair" instructions given above.

Q. How to know when there is a low battery?
A. The LED indicators on the case shows different battery levels, if only one light is blinking that means it is left with 25% battery.

Q. How many times can a 100% charged case charge the earphones?
A. When the case is fully charged, it can charge the case for upto 3 times.
