|-------|--------|
| Depth | 598 mm |
|-------|--------|

## FEATURES & BENEFITS

|                                                                                                                              |
|------------------------------------------------------------------------------------------------------------------------------|
| <b>30-minute Fast wash</b><br>Save time with a 30-minute dishwashing cycle.                                                  |
| <b>Separate cutlery tray</b><br>Easy to load, allowing more space for your dishes.                                           |
| <b>Hygiene sanitising wash</b><br>Hygiene setting washes hotter for longer to help kill bacteria.                            |
| <b>10 programs with Auto Wash</b><br>Choose from 10 wash programs, including Eco, Glass and Auto.                            |
| <b>Easy to use</b><br>An intuitive control panel with an LED display and soft-touch buttons provides simple cycle selection. |
