Shark WANDVAC" QUICK START GUIDE

WHAT'S INSIDE:

- A Hand Vacuum
- Wand
- PowerFins Floor Nozzle
- WANDVAC™ System Docking Station
- Battery Pack
- Duster Crevice Tool

The images may vary.

- Slide the wand onto the neck of the floor nozzle until it clicks into place.
- Slide the hand vacuum nozzle over the wand until it clicks.
- Make sure the dock plate is facing upright. Slide the charging post into the slot on the back of the dock until it clicks into place.
- Place the dock on the floor near a wall outlet.
 Plug the wall charger into the outlet, then connect the cord to the port on the back of the charging post.
- Store cleaning accessories on the mount on the dock plate.

For proper operation, ensure all components are completely connected and clicked into place.

Note: The images shown here are for illustrative purpose only and may vary.
