PLAYING *RAWYOKAN*

GETTING STARTED

The intro animation will play when you start *Rawyokan*. You can click the screen and proceed. In the main menu, you can click the button to replay the intro. Further, you can navigate through different screens in the game through the or buttons.

PLAY

There are two play modes in *Rawyokan*. If this is your first time playing, only 'Challenges' mode is available. You can unlock 'Sandbox' mode along the course of the game.

CHALLENGES MODE

 mode takes you through 7 waves of opponents, each with a different set of difficulty and reward points. When you play *Rawyokan* for the first time, the game will direct you to the Tutorial and guide you on basic controls to beat your opponents.

Key information available in each fight:

- Player's Health and Stamina are shown on the top left, while Opponent's Health and Stamina are on the top right.

- Player's remaining fighters () are shown on the bottom left, while Opponent's remaining fighters are on the bottom right.
- The pause button is at the bottom left corner. You can click this button to pause, change basic game settings (toggle music, sound effects, and screen display), or quit the match. When window focus changes, the match is automatically paused.

When the tutorial is complete, the 'Upgrades' screen will be available.

In this screen, you can:

- Add fighters to your roster.
- Purchase upgrades to a fighter's attribute (e.g. health, stamina, power, etc.) with in-game points. **Important Note**: Fighters in each roster has distinct sets of attributes. Purchased upgrades are applied to the selected fighter only.
- Purchase additional costumes for the selected fighter. **Important Note**: Purchased costumes can be applied to any fighters in the roster including 'Sandbox' mode.

The next screen shows available challenges.

In this screen, you can:

- Select available or completed challenges.
- View the number of fighters, average attributes, as well as reward points of the selected challenge. **Tip**: You can replay completed challenges to accumulate points for upgrades.

Before each fight, the screen will show the upcoming opponents and background.

Please take note on gameplay tips on this screen, and you can click 'Start' to proceed.

SANDBOX MODE

 mode can be unlocked by spending points in 'Challenges' mode. You can customize a match in this mode, such as attributes, costumes, and number of fighters.

SETTINGS

You can do the following in this screen:

- Toggle the background music.
- Toggle the sound effects.
- Change the screen display. Please note that full screens are available for selected systems only.
- Delete saved progress. **<u>Caution</u>**: deleting saved progress will reset your accumulated points, completed challenges, as well as unlocked costumes and play mode.
- View credits along with unlocked costumes in the game.

EXIT

Click 'Exit' and when you're done and end the game. We hope you enjoy *Rawyokan*!
