Sargent & Greenleaf Returned Goods Policy*

No material may be returned without prior consent of a Sargent & Greenleaf Customer Service Representative. The representative will issue a Returned Goods Authorization Number which must be clearly displayed on all return paperwork and on the outside of all containers used to return S&G product.

- A. Incorrect or defective material may be returned and, if justified, full credit will be issued or goods will be replaced.
- B. Excess or unused standard materials will be subject to a minimum restocking charge of 25% of the net value if received in resalable condition.
- C. S&G reserves the right to refuse returned product that is used, blemished, damaged, or obsolete.

* S&G accepts returned goods only from the original purchaser. Materials should always be returned through the channel of distribution from which they were obtained.

Pricing information in this publication is accurate to the best of our ability at the time of publication.
