3. While charging, the indicator light turns flash red, when full charged, the indicator light will keep green.
4. If the battery is full, the device can work continuously for around 1.5 hours.
5. You are able to use the massager whilst charging, but it is recommended to charge the battery first then use.

USB Ladeadapter

Please use in the manner shown below

- This device will switch off automatically after 15 minutes timer run out.
- Do not setup or use the massager in a bathroom or similar wet / damp areas.
- Do not use this device while driving. For your own safety we equip the massager with a protection against over-heating. Heat is created in the motors when placed under great stress and excessive pressure. Before this could create any risk and after a runtime of 15 Minutes.
- Likewise, you should allow your body some rest periods. To avoid straining your muscles too much, we recommend to not exceed a continuous massage of 15 Minutes

Safety Instructions

Please read the following instructions carefully before putting your massage device into use to ensure trouble-free operation and optimum efficiency.

Please retain these operating instructions for further use!

- The massage device conforms to recognized technical principles and the latest safety regulations.
- Do not wet, do not use pins, never remove cover.
- This item is NOT A TOY. Close supervision is necessary when this appliance is used by, on, or near children or disabled persons.
- This appliance should never be left unattended when plugged in.
- Any possible repairs may only be carried out by authorized expert staff. Improper use and unauthorized repairs are not permitted for safety reasons and lead to loss of warranty.
- Never touch the power plug with wet hands.
- Please avoid contact of the device with water, high temperatures and direct sunlight.
- Do not use any damaged cables, plugs or loose sockets.
- In case of malfunction, disconnect immediately from the mains.
- Do not use if you have skin disorders, open wounds, or swollen or inflamed areas.
- Misuse or incorrect use excludes any liability for damage.
- Do not use this device while driving.
- Do not use while you sleep.
- In order to avoid excessively stimulating the muscles and nerves, the recommended massage time should not be exceeded 15 minutes at a time.
- Each massage – even a hand massage – must be refrained from during pregnancy or if one or more of the following complaints are present in the massage area: recent injuries, thrombotic diseases, all kinds of inflammations and swellings, and cancer. It is recommended to consult a doctor before having a massage for the treatment of ailments and illnesses.
- If you are dependent on electrical aids e.g. pacemakers, please be sure to consult your doctor for medical advice before taking a massage.
- The packaging material supplied should not be used as a toy. Failure to observe the above instructions may constitute misuse of the product and can cause serious injury or burns.
- Do not use this product for medical treatment.
