

# Magnetic Wireless Car Charger Using Guides

①

## Charging for the Right Phones

Only charge for the iPhone  
15/14/13/12 and later series

Cannot charge for other phones

②

## Charging with Original Cable and Car Charger

Using the USB cable and the car  
charger included

Other cables and car chargers may  
not support fast charging

③

## Using the Correct Phone Case

Using MagSafe case or not using  
phone cases

Don't use non-MagSafe case or stick  
things on the back of your iPhone
