Assembly Instructions:

STEP 1

- A. Position the feet (2) on a flat, stable surface.
- B. Attach the rest (1) by aligning it with the designated holes on the feet (2)
- C. secure it using the sheet metal screws.
- D. Tighten the screws with the hex key wrench.

STEP 2

- A. Attach the riser (3) to the angled flaps on the feet (2).
- B. Use a short socket screw, a washer, and a cap nut to the feet.
- C. Tighten the nuts using the wrench and the hex key wrench.

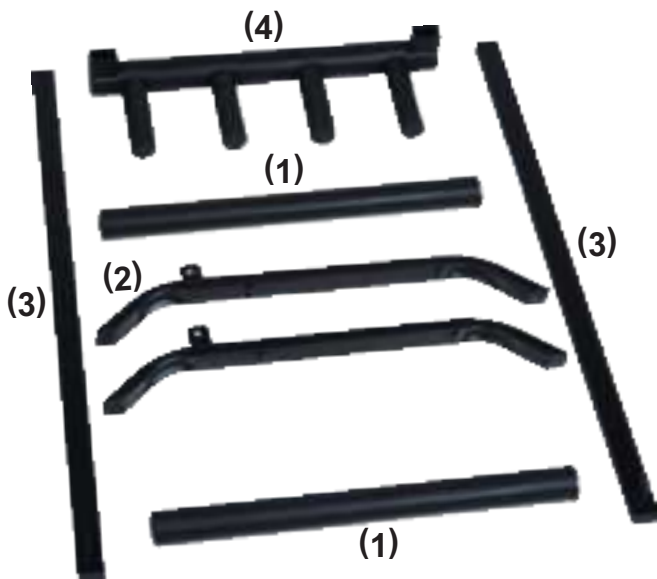

STEP 3

H. Mount the rest

(4) onto the riser (3).

I. Secure it using a long socket screw, a washer, and a nut.

J. Use the wrench and hex key wrench to tighten everything securely.
