

Stand-up desktop computer desk

Please read this manual before you start installing and assembling this product. If you have any questions or ambiguities about the instructions and warnings, please contact us for assistance.

note:

1. Please do not exceed the rated load, otherwise it will cause damage to the monitor or personal injury.
2. Be sure to follow the instructions in the manual. Improper installation may result in damage to the product or personal injury.
3. Please use our tools and accessories to install, otherwise it will cause damage to the product.
4. Make sure that the support surface can safely support the weight of the support equipment and all accessories.
5. This product contains small parts that can cause serious personal injury if swallowed. Keep out of reach of children.
6. Please do not install the monitor before assembling the workbench.
7. Please do not open or replace the workbench without authorization.
8. This product is for indoor use only. Outdoors can cause damage to the product.

important:

Make sure you have received all the parts based on the list provided before installation. If any parts are missing or damaged, please contact your supplier.

maintain:

Please check the workbench at regular intervals (at least every three months) to see if the workbench is stable and there are any screws that fall off due to long-term use. If there is a safety hazard, please replace the accessories or harden the installation in time.

**Desktop Weight
Capacity
17kg(37lbs)**

Do not press hard on the front edge of the counter-top or climb the child.

NOTE:
mind your hands!
