### Safety Instructions

- Retract Tape Measures Slowly  
Guide the tape back to retract it slowly in a controlled manner when you finish measuring. The quick return of the tape might damage the blade and blade control mechanism. To minimize injury, slowly retract metal blade tape, keeping fingers away from edges.
- Do not attempt to modify the performance of this laser device in any way. This may result in a dangerous exposure to laser radiation.
- Do not operate the tool outdoors.
- Do not attempt to repair or disassemble this laser-measuring tool. If unauthorized persons attempt to repair this product, serious injury may occur. Any repair required on this laser product should be performed only by qualified service personnel.
- Do not stare into the laser beam or direct it towards other people unnecessarily.
- Don't dazzle other individuals.
- Look directly into the beam with optical aids can be hazardous.
- Do not operate the product in explosion hazardous areas or in aggressive environments.
- Only chargers recommended by the manufacturer to charge the batteries.
- Keep extremities in a safe distance from the moving parts.
- Watch out for potential measurement errors if the product is defective or if it has been dropped or has been misused or modified.
- Carry out periodic test measurements. Particularly before, during and after important measurements.
- The product and batteries must not be disposed of with household waste.

#### CAUTION:

Use of controls or adjustment or performance of procedures other than those specified herein may result in hazardous radiation exposure

#### WARNING:

It is a Class 2 laser product in accordance with IEC 60825-1:2014

IEC 60825-1:2014 IEC 60825-2:2001 Class 2 Laser product. Complies with 21 CFR 1040.10 and IEC 60825-1:2014. Declaration of Conformity No. 102, Date 2014-06-10

CE

UKCA

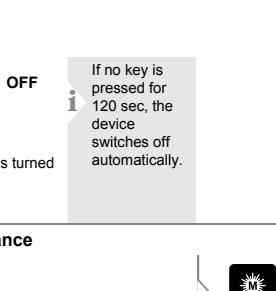

FCC

Li-Ion

### Instrument Set-up Overview

- The safety instructions and the user manual should be read through carefully before the product is used for the first time.  
The person responsible for the product must ensure that all users understand these directions and adhere to them.
