NEW THIS ISSUE

After utilizing our production capability to assist the nation where it was most needed, our assembly lines have returned to making the vehicles our customers love. The 2021 model year boasts a number of fresh Ford designs to carry us boldly and capably into the future: an all-new F-150, all-new Mustang Mach-E all-electric SUV, all-new Bronco and Bronco Sport, and so much more. In this *Order Guide Companion*, you'll see how to add extra showroom appeal to these new vehicles, as well as to the rest of your Ford inventory. New packages and options for 2021 include:

MUSTANG | A Mach 1 Equipment Group, Appearance Package and Handling Package herald the return of another legend from the Mustang stable (detailed on pages 18-21). They join 7 other packages to help personalize every Pony in your mix.

MUSTANG MACH-E | Cargo area protector and floor liners for this whole new breed of pony.

BRONCO SPORT | A cargo area protector, floor liners and roof crossbars.

EDGE | ST-Line Package

ESCAPE | SE Sport Appearance Package, SEL Stealth Appearance Package, as well as a Titanium Elite Appearance Package

EXPLORER | XLT Sport Appearance Package

RANGER | TREMOR Off-Road Packages for XLT and LARIAT

F-150 | XLT Chrome and XLT Sport Packages

SUPER DUTY® | TREMOR Off-Road Package

To further differentiate the vehicles on your lot, utilize authentic Ford Accessories. Visit accessories.ford.com for the latest offerings. Every accessory is designed to fit seamlessly and perform flawlessly, enhancing the appearance and/or bolstering capabilities of vehicles where they are applied.
