Lenovo

Lenovo Legion Go Charging Connector with Battery for Controllers*

PLAY LONGER. PLAY BETTER.

Designed with gamers in mind, the Lenovo Legion Go Charging Connector with Battery for Controllers redefines your experience by keeping you in the zone all day and night. This accessory seamlessly fuses your left and right controllers into one, offering superior grip and enhanced battery life so you can focus on what matters—the game.

Why you need Lenovo Legion Go Charging Connector with Battery for Controllers

Comfortable design

Transform your controllers into one cohesive unit with a design optimized for comfort during marathon gaming sessions. No more hand cramps or awkward grips—just smooth, intuitive play.

Extended playtime

Forget frustrating mid-game battery warnings. The built-in rechargeable battery in the connector doubles your controller's life, letting you dive deeper into your games without worrying about power loss.

Powerful charging hub

Equipped with a USB-C port, this dynamic connector doubles as a cutting-edge charging hub. Recharging couldn't be easier—just one cable, endless power-ups.

* This product doesn't include the gaming controllers.
