

Application

The unique beauty and versatility of this STUDIO LINE pendant is enhanced by the choice of three matte interior finishes combined with a white exterior. These finishes may be chosen to complement a wide array of interior spaces. A subtle hint of colored light on the outside edge of the beam spread results from the internally reflected light. The result is an eye-catching and elegant lighting effect.

Materials

Hand-blown three-ply opal glass
Aluminum housing
White connecting cable

NRTL listed to North American Standards, for interior use only

Weight: 6.4 lbs.

Electrical

Operating voltage	120-277VAC
