1. INTRODUCTION:

The Tata Power Company Limited (TPCL) is among the largest private sector Power Utility companies in India with presence in Generation, Transmission and Distribution of Power through conventional and renewable sources.

Mundra Thermal Power Station (A Tata Power Division) has implemented the 4150 MW UMPP near the port city of Mundra in the state of Gujarat in India. This UMPP is India's first 830 MW unit thermal power plant using supercritical technology. MTPS operates on imported coal on pulverized coal-based boiler technology. The generating plant is in Tunda village of Mundra district in the state of Gujarat, India.

The tendering activities for this Project are being managed from Tata Power's following Office:

The Tata Power Company Limited,
Mundra Thermal Power Station - Ultra Mega Power Plant,
(formerly a Unit of Coastal Gujarat Power Limited),
Tunda-Vandh Road, Tunda Village,
Mundra, Kutch 370 435, Gujarat.

2. SCOPE:

The brief scope of work for Installation of pre-cast wall, chain-link fencing and Precast concrete cover over drain comprises below activities:

- **Precast Wall:**

- Procurement, Transportation, loading, unloading, and installation of precast wall panels and columns as per approved drawings.
- Proper alignment, leveling, and grouting of precast elements to ensure durability and structural integrity.
- All civil foundation and support work to be completed as per design.

- **Chain-Link Fencing:**

- Supply and installation of GI chain-link mesh, posts, straining wires, and all required accessories.
- Removal of existing/damaged chain-link fencing wherever applicable.
- All dismantled scrap material is to be deposited at a location directed by the EIC.
- No additional payment shall be made for the removal of the damaged fencing; this activity is deemed to be included within the chain-link fencing item.

- **Installation Precast Concrete cover over drain:**

- Supply and installation of precast concrete cover will be in scope of vendor.
- Reinforcement steel of concrete cover will be paid in separate item.
- All consumable items and lifting tools and tackles are in vendor scope.
- Transportation, loading, unloading, and installation of precast concrete cover will be in vendor scope.

Detailed Scope of work, technical details & BOQ for this Contract shall be provided in the Tender / RFQ document to all potential bidders submitting the valid EOI with tender fees within deadline of submission.

3. TENDER FEE & TIMELINES:

a) Interested parties meeting the "Bidder Pre-Qualification Requirements" specified under point no. 4 in this document can request tender document and participate in the bidding process by submitting the Expression of Interest (EOI) Letter along with the Tender Fee Payment Details to the contact details mentioned below not later than deadline specified below. Request for extension of EOI submission date will not be entertained.
