

1 What's in the box

NVR

NVR Power Adapter

USB Mouse

3ft(1m) Ethernet Cable

HDMI Cable

Quick Start Guide

NOTE: Products and accessories vary by product models, please refer to the actual product.

2 Introduce the NVR

NOTE: The actual appearance and components may vary with different products, please refer to the actual product.

- ① Connect the Cameras to the PoE NVR with 60ft(18.3m) Ethernet Cable.
- ② Connect the PoE NVR to the Router with 3ft(1m) Ethernet Cable.
- ③ Connect the PoE NVR to the Monitor with VGA or HDMI Cable.
- ④ Connect the USB Mouse to the USB2.0 Port.
- ⑤ Connect the PoE NVR to the Power Outlet.
- ⑥ Turn on the power switch and enjoy live view.
- ⑦ The monitor will display live view of the camera.

NOTE: To ensure the device works properly, it is recommended to power on the PoE NVR first for testing before a final installation.

3 Access the System via Smartphone or PC

3.1. Smartphone

Search “ZOSI Smart” in the APP Store or use a browser to scan the QR code below, download and install the app and follow the instructions to register an account.

Zosi Smart

App (IOS/Android)

App video operation link

3.2. PC

Download path: Go to <https://www.zositech.com/pages/app>.

4 Set up the NVR System

4.1. Mouse Operation:

Right click on mouse - Playback - Time /Event

Time playback: View playback video based on time search

Event playback: View playback video based on event search

7 Backup

① Insert a USB into the USB 2.0 port on the PoE NVR.

② Right click the mouse > Main Menu > Backup > Select channels and time period > Search > Select the video clips you want to back up > Click “Apply” .

For more information about the system operation settings, please visit: <https://bit.ly/3zQsdIv>.

8 Usage Specification

- Use the camera only with compatible ZOSI NVRs.
- Read this guide carefully and keep it for future reference.
- Follow all instructions for safe use of the product and handle with care.
- Use the product within given temperature, humidity, voltage level noted in the device's specifications.
- Do not disassemble the product.
- Use only a regulated power supply with the product (optional). Use of a non-regulated, non-conforming power supply can damage the product and void the warranty.
- Periodic cleaning may be required. Use a damp cloth only. Do not use any harsh, chemical-based cleaners.
- Do not use the product in a sealed, humid environment. It is recommended to place it in a location that is easily ventilated for installation.
- Do not disassemble the device while power is on.

9 FAQ

Q: No Video Output on the Monitor?

- Ensure the lowest resolution of the monitor is no less than 720p.
- Ensure the NVR is powered on normally.
- Check the connection of the HDMI/VGA cable or use another cable to try again.

Q: Failed to Remotely Access the Camera via Mobile Phone or Computer?

- Ensure the NVR is connected to the network normally, you can go to the NVR Menu-Network-Test
- Test and verify whether you can access the Internet by connecting your phone or computer to the same network as the NVR.
- Reboot your NVR or router.

Q: Does the system support motion detection and image capture?

- It captures images automatically when people, cars, are detected or when there is a change in detected images. Users can also manually capture images using our ZOSI Smart APP.

FCC Compliance Statement

This device complies with Part 15 of FCC Rules.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference.
- (2) This device must accept any interference received, including inference that may cause undesired operation.

Simplified EU Declaration of Conformity

ZOSI declares that the device is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU.

Correct Disposal of this Product

This marking indicates that this product cannot be disposed with other household wastes throughout the EU. To prevent possible harm to the environment or human health from uncontrolled waste disposal and promote the sustainable reuse of material resources, please recycle it responsibly. To return your used device, please visit the Return and Collection System or contact the retailer from whom the product was purchased. They can take this product away for environmentally safe recycling.
