SETUP INSTRUCTION

Receiver Installation:

- Remove the Receiver from the Receiver Slot.
- Plug the Receiver into the device's USB or USB-C port.
- Push the Power Switch on the Laser Pointer to the "ON" position.

HOW TO CONNECT

Connect Laser Pointer to Device:

- Once the Receiver Installation is complete, open the presentation app on your device.
- Press the Full Screen Button on the Laser Pointer.
- Change slides with the Page / Volume Up & Down Buttons on the Laser Pointer once in full screen mode.

To exit full screen mode, press the Full Screen Button.

To change the Page / Volume Up & Down Buttons' function, press and hold both buttons simultaneously for 3 seconds.

TROUBLESHOOTING

- No Receiver Connection:**
 - Connect the Receiver to either another USB-C/USB port on your device or another device.
 - If the connection is successful, the Receiver is working properly.
- No Laser Pointer Function:**
 - Ensure the Power Switched is turned ON.
 - Ensure the Laser Pointer is not low battery (Indicated by blinking blue LED Indicator Light) or out of battery.
 - Ensure no objects are between the Receiver and the Laser Pointer (blocking the signal).
 - Ensure the Laser Pointer is within 164 ft of the Receiver.
