

Use & Care Manual:

Assembly: Tighten all bolts securely (don't overtighten). Attach cushions after frame setup.

Cushion Care: Machine wash covers (cold/gentle cycle); air dry. Never bleach. Store pillows indoors when wet.

Frame Cleaning: Wipe wicker with dry cloth. Use mild soap + water for stains; rinse thoroughly.

Motion Maintenance: Lubricate swivel mechanism annually with silicone spray.

Weather Protection: Cover with outdoor fabric (not included) during rain/snow; store indoors in winter.

Hardware Check: Tighten bolts seasonally to prevent loosening from rocking motion.

Foot Pad Adjustment: Rotate pads to level chair on uneven ground; test stability before use.
