ASSEMBLY STEP

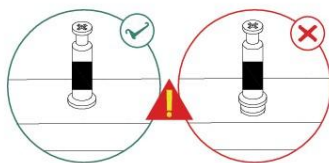

ATTENTION

1. When you begin each step, please check carefully whether you have taken the correct parts so as not to use the wrong parts and cause the wrong assembly.
2. We recommend that you do not rush to tighten the screws. It is best to tighten the screws to two-thirds first, after all the steps are installed and the position is well adjusted, then tighten each screw in turn.

Tips:

If you accidentally spill water on the table top, please wipe it with a dry towel in time, to prevent the wooden part from being soaked.

NOTE

- 1.The product is intended for indoor use only. The product must be assembled and used under the provisions of the manual. Personal injury and/or damage to the product may occur if products are used outside of their intended purposes and/or if products have been changed/modified from their original design.
- 2.The seller does not assume any responsibility or liability concerning any injury/damage caused by incorrect assembly or improper use.
- 3.Avoid long-term exposure to humid environments to prevent mildew.
- 4.Keep the product away from fire sources and high temperatures.
- 5.Do not expose the product to direct sunlight.
- 6.Do not place any hot objects on the surface of the product.
- 7.If there are any defective or missing parts after unpacking, please cease assembly immediately and contact us.
- 8.Please assemble the item on a spacious surface and do not place the unwrapped product directly on the ground to avoid product damage. Please do not stand or sit on the wooden boards.
- 9.Please wear gloves during the assembly and/or disassembly process to avoid scratches from any sharp edges.
- 10.Please match the corresponding part and fitting based on the part number in the manual.
- 11.If the part does not match with the fitting, please check the piece as specified in this manual.
- 12.During assembly, first loosely align all screws with the corresponding pre-drilled holes and then tighten the screws one by one
- 13.Periodically inspect screw tightness while the product is in use. If necessary, retighten to ensure structural integrity
- 14.If you accidentally spill water or another liquid on the surface, immediately wipe clean with a dry towel.
- 15.Please keep the product away from sharp, pointed objects and corrosive

substances to prevent product damage. Please place this item on the level solid ground during use.
