

Jabra PanaCast 50 - Black

How do I pair the remote control with the Jabra PanaCast 50?

To pair the remote control with the Jabra PanaCast 50, follow these steps.

1. Position the remote control within 30 centimeters (12 inches) of the Jabra PanaCast 50. This distance is required for successful pairing.
2. Press and hold (5 seconds) the **Bluetooth** button on the back of the Jabra PanaCast 50 until the LED on the camera flashes blue and green. This LED notification indicates that the Jabra PanaCast 50 is in pairing mode.
3. Press and hold (5 seconds) the **Mute** button on the remote control until you hear an audio notification on the Jabra PanaCast 50. This audio notification indicates that the remote control and the Jabra PanaCast 50 are paired.

Note

The remote control is an optional accessory.
