PRECAUTIONS

- High volume may affect your hearing.
- Do not use the unit while driving or cycling at places where it's necessary to keep environment awareness. Doing so may cause traffic accidents.
- The unit is not waterproof. If water or foreign objects enter the unit, it may result in fire or electric shock. If water or a foreign object enters the unit, stop use immediately and consult your nearest dealer.
- This product has magnets which may interfere with pacemakers, defibrillators and programmable shunt valves or other medical devices. Do not put this product close to these medical devices and the person who use any of these medical devices. Consult your doctor before using this product, if you have any concerns.

ROCKROSE

PARKOUR EE BLUETOOTH EARPHONES
USER MANUAL

PRODUCT OVERVIEW

Congratulations on your purchase of Parkour EE! The premium Bluetooth earphones feature high quality audio, Bluetooth Multipoint, and 6 hours of playback time.

Long Play Time

The battery on a single charge can give you up to 6 hours of talk time or audio listening time.

Comfortable Wearing

Parkour EE is built with premium components. The lightweight and ergonomic ear tips ensure comfortable and secure wear in even tough workouts.

Bluetooth Multipoint

Parkour EE supports Bluetooth multipoint, which allows your earphones to be connected to two Bluetooth devices at the same time.

Smart Assistant

Double press the multi-function button to activate Siri or other smart personal assistant on your phone.

We hope you enjoy using our product.

INSTRUCTIONS

Power On/Off

Press and hold the multi-function button (MFB) for over 2 seconds to power on/off.

Auto-Pairing

When the headset is powered on, it automatically enters into pairing mode and connects with the last paired device. If no paired device is available, or it is powered on for the first time, you need to manually pair the earphones with your device.

Phone Calls

Short press the MFB to answer an incoming call, or end an ongoing call; Press and hold for 2 seconds and then release the MFB to reject an incoming call.

Play/Pause Music

In music play mode, short press the MFB to play/pause music.

Volume Control

Short press the +/- button to increase/decrease the volume. Long press +/- to play the next/ previous track on your playlist.
