

HP Wireless Keyboard and Mouse 300

No-compromise design, secure performance

This duo puts secure productivity and entertainment right at your fingertips. Convenient features include hot keys, an ultra-precise mouse, and data encryption that protects your information.

Wireless convenience

No more wires with the reliable 2.4GHz wireless connection.¹

One receiver does it all

You just need one wireless nano receiver to connect both keyboard and mouse.

Quick access shortcuts

Ten hot keys for one-touch access to important tools such as internet, emails, and search.

HP Wireless Keyboard and Mouse 300

Omadused

Designed for greater accuracy

Mouse with greater accuracy for precise movements on most surfaces, thanks to 1600 dpi.

Keyboard built for comfort

Full-size keyboard includes built-in palm rest to support your wrists for comfortable typing.

Designed for either hand

A contoured mouse designed for all-day comfort in either hand.

Encrypted for data security

Advanced Encryption Standard (AES) technology protects information by encrypting your keystrokes and mouse.²

¹ Wireless connectivity up to 10m (30 ft).

² This product cannot guarantee encrypted communication over the wireless channel.
