

Snap Close Conduit/ Pipe Clamp – 16M

CONNECT AND PROTECT

The nVent CADDY Snap Close Conduit Clamps (M-Series) are a fast and efficient method to secure conduit branch circuits for electrical installations. The M-Series is designed to provide positional consistency in application by eliminating conduit offset as well as maintain spacing entering electrical boxes. Increase installation efficiency by utilizing our comprehensive conduit range for your next electrical project.

FEATURES

- May be used for either vertical or horizontal installations
- Eliminates need for offset bending conduit
- Finger closure, no tools required
- Designed for the most common branch circuits

Material: Spring Steel
Finish: nVent CADDY Armour
