

RICHMOND 72"

White

FEATURES

UNFOLD ASSEMBLY™ - Easy Unfold Assembly™ is as simple as 1, 2 & 3! Just unfold the frame, connect the back panel, add the shelves & hardware, lock the lid into place, connect the LED strip & done!

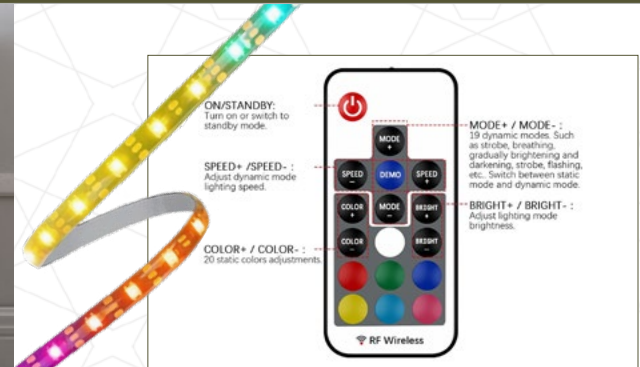

PRE-INSTALLED FIREBOX - The pre-installed firebox can be controlled by the manual panel or the included remote control for your convenience. Save on energy costs by heating a single room instead of your whole home! Use with or without heat year-round to bring ambiance at any time.

COLOR CHANGING LED LIGHTS - Easily control the LED lights with the included remote control. The color changing lights are sure to bring your movie and game nights to another level.

WIRE MANAGEMENT - The back panel cut-outs allow a suitable path for cables and cords. Forget about a tangled mess and get organized with the Richmond Unfold Assembly™ TV Console!

CONVENIENT STORAGE - The side cabinets and open shelves are ideal for storage and displaying décor. Show off your favorite pieces by placing them behind the glass doors.

MULTIPLE USES - Use the Richmond Unfold Assembly™ TV Console in your game room, living room, and even your bedroom. The sleek design will complement any existing decor, while being functional at the same time.
