PORTABLE BLUETOOTH SPEAKER
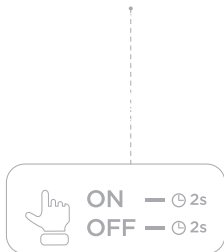

| Charging Indicator | 🔋 — ☀ | 🔋 — ● |

☀ Blinking red

● Solid red

Don't plug the cable in when your speaker and the charging port are not completely dry. Leave your speaker in a dry area with some airflow to let the port air dry naturally.

ON — 🕐 2s
OFF — 🕐 2s

ON	All lights on
OFF	All lights off

Press and hold the Power button for 2 seconds to power on.
Press and hold the Power button again for 2 seconds to power off.
