PERFORMANCE

ACCESSORIES

For a clean and simple look, Performance Accessories quarter round and wall base are available in a traditional white finish.

These moldings work with all floors in this guide. And for waterproof flooring installations, try our waterproof white quarter round to cover expansion gaps around the perimeter of your room. This vinyl quarter round is completely waterproof and will help protect the edges of your floor when installed with a bead of 100% silicone applied between the bottom of the molding and the flooring surface. See flooring install instructions for details.
