# 1. WELCOME

Thank you for using the Jabra Talk 45. We hope you will enjoy it!

## **JABRA TALK 45 FEATURES**

- Clear calls - HD voice (phone and network dependent) and two microphones
- Noise cancelling - advanced technology for clear, noise-free calls
- Long lasting - up to 6 hours of calls, and up to 8 days of standby time
- Stream from your phone - music, podcasts and GPS directions
- Voice Control - dedicated button for Siri® and Google Assistant™

## 2. HEADSET OVERVIEW

USB cable

Eargels

Earhooks

Car charger

## 3. HOW TO WEAR

The headset can be worn with or without the earhook, on the left or right ear. Additional earhooks and eargels are available in the pack.

### 3.1 CHANGE EARGELS

---

Choose between different ergo-designed eargels for optimal fit and comfort.

## 3.2 ATTACHING THE EARHOOK

---

The earhook can be attached to the headset if the earhook fit is preferred.

## 4. HOW TO CHARGE THE BATTERY

1. Pull back the charging cover on the headset to expose the USB charging port.
2. Connect the headset to a USB port using the USB cable.

**NOTE:** For safety reasons, it is recommended not to use the headset while it is charging.

It takes approx. 2 hours to fully charge the headset.

# 5. HOW TO CONNECT

## 5.1 CONNECT TO MOBILE DEVICE

---

1. Turn the headset on (set the **On/off** switch to the On position).
2. Press and hold (3 secs) the **Answer/end** button until the Bluetooth indicator flashes blue, and pairing mode is announced in the headset.
3. Follow the voice-guided pairing instructions to pair to your Bluetooth device.

## 5.2 CONNECT TO MOBILE DEVICE (NFC)

---

1. Ensure that NFC is enabled on your mobile device.
2. Slowly slide the NFC zone of the headset against the NFC zone of the mobile device until a connection is confirmed.

## 6. HOW TO USE

|                                                                                     | FUNCTION                                  | ACTION                                                                                                                                  |
|-------------------------------------------------------------------------------------|-------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
|    | On/Off                                    | Slide the <b>On/off</b> switch                                                                                                          |
|  | Answer/end call                           | Tap the <b>Answer/end</b> button, or say 'Answer'                                                                                       |
|                                                                                     | Reject call                               | Double-tap the <b>Answer/end</b> button, or say 'Ignore'                                                                                |
|                                                                                     | Redial last number                        | Double-tap the <b>Answer/end</b> button when not on a call                                                                              |
|  | Activate voice controls (phone dependent) | Tap the <b>Voice</b> button for voice dialing (e.g. Siri/Google Now). Press and hold (1 sec) the <b>Voice</b> button for voice commands |
|                                                                                     | Mute/unmute                               | Tap the <b>Voice</b> button when on a call                                                                                              |

## 6.1 MULTIPLE CALL HANDLING

---

The headset can accept and handle multiple calls simultaneously.

| FUNCTION                                                                                                                   | ACTION                                               |
|----------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------|
| End current call and answer incoming call                                                                                  | Tap the <b>Answer/end</b> button                     |
|  Switch between held call and active call | Press and hold (2 secs) the <b>Answer/end</b> button |
| Put current call on hold and answer incoming call                                                                          | Press and hold (2 secs) the <b>Answer/end</b> button |
| Reject incoming call                                                                                                       | Double-tap the <b>Answer/end</b> button              |

## 7. SUPPORT

### 7.1 FAQ

---

View the comprehensive FAQ on [Jabra.com/talk45](https://jabra.com/talk45).

### 7.2 HOW TO CARE FOR YOUR HEADSET

---

- Always store the headset with the power off and safely protected.
- Avoid storage at extreme temperatures (above 70°C/158°F or below -10°C/14°F). This can shorten battery life and may affect headset operation.
- Do not expose the headset to rain or other liquids.
