A brighter life at home with LED lights

As Canberra's weather cools and daylight hours decrease, we rely more on indoor lighting. [Explore IKEA Canberra's LED lights](#) - they save up to 85% on energy consumption compared to traditional bulbs.

Bring in your old light bulbs and fluorescent tube lighting to the recycling area at the exit near our customer service area in IKEA Canberra. We will help you recycle and dispose of them in a sustainable way.

Wednesdays during April

5% OFF
