DIMENSIONS

Height	67 1/2 "
Width	31 3/32 "
Depth	27 3/8 "

FEATURES & BENEFITS

- ActiveSmart™ Foodcare**
ActiveSmart™ technology understands that the refrigerator door is the most opened in the house. It constantly adjust temperature, airflow and humidity, maintaining an optimum environment and helping keep food fresher for longer.
- Clever energy**
Your refrigerator adapts to daily use by cooling and defrosting only when needed. This means your refrigerator uses the energy

it needs without compromising on food care.

- Easy to clean**
No more dirty marks with our EZKleen feature for stainless steel refrigerators. Anti-fingerprint coating lets you simply wipe clean any finger marks. Spill-safe secure glass shelves easily capture any drips or leaks.
- <<Missing Feature Title>>**
Our refrigerators are designed and built using robust, quality materials, with stainless steel exteriors and solid glass for the interior shelving.

- Humidity control**
Your fruit and veges need different environments. The humidity control slides in each storage bin create a microclimate that helps keep food fresher for longer.
- Ice maker**
The internal ice maker delivers fresh ice to a dedicated freezer bin. Simply turn it off to free up freezer space or during busy times boost ice production by up to 30%.

- Ultra slim water dispenser**
The slimline water dispenser is easy to use. The angled water delivery means that almost any size or shape of vessel can be filled, while taking up no storage space in your refrigerator door.
