### Leverage Heat Pump HVAC Incentives

TECH Clean California contractors save up to \$1,000 on heat pump HVAC units for single family homes.

TECH Clean California is offering substantial incentives direct to certified contractors to support the installation of heat pump technologies in existing single family homes throughout California.

The Quality Residential HVAC Services (Quality HVAC) program helps contractors become champions of industry best practices and customer needs.

Services	Tier I	Tier II
Quality Bid	\$350	\$700
Quality Installation	\$500	\$1000
Quality Maintenance	\$350	\$700
Quality Maintenance Call	\$150	\$300
