- Lifespan – 92,000(L80)
- Surge Protection – 10kV

Materials & Finish

- **Material**
 - Low copper aluminum alloy & 316 stainless steel (screws only)
 - Polycarbonate optical lens with glass covering
- **Colour**
 -  Black

Specifications

- Non-Dimmable
- IK Rating – IK08
- Weight – 3.5kg
- Optics- Asymmetrical
- **Power**
 - Voltage – 230V
 - Driver- Done
 - Wattage – 80W
 - Operating temp – -30°C to +50°C
- **Light Output**
 - Lamp Technology – LED
 - Lumen Efficacy – 145lm/w(+/-5%)
 - Lumens – 11600lm(+/-5%)
 - Lamp Life – L80 – 92,000hrs, L70 151,000hrs @Ta=25C
 - Colour Temperature – 4000K
 - CRI – 70+

Installation

- **Mounting** – Surface Mounted
