

13 x 13 INSTANT CANOPY

Before you begin

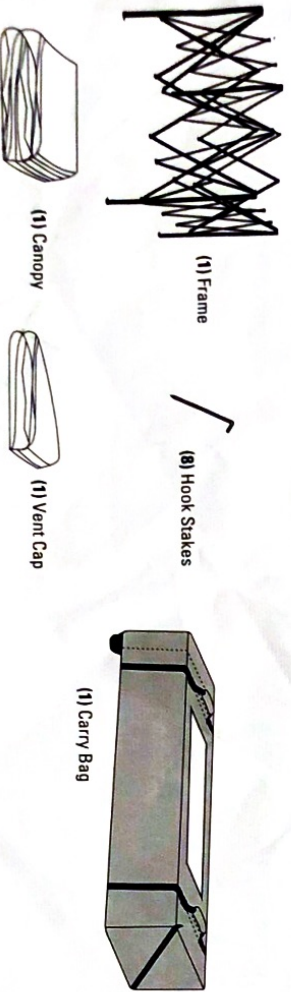

Read all instructions thoroughly before beginning set up.

Select a level site clear of rocks, branches, and other hard or sharp objects, to set up your shelter.

⚠ WARNING: Keep clear of overhead power lines.

- Do not set up your shelter under trees because of potential lightning strikes or falling tree limbs in inclement weather.
- Secure with all stakes and guylines provided to prevent property damage or personal injury.
- Two people can easily setup this shelter in minutes.
