Signature Features

ICE MASTER

- Our Ice Master paired with in-freezer Ice Maker makes nearly 12 lbs. of ice per day with storage for nearly 10 lbs. of ice.²

COOL SELECT PANTRY™

- Provides additional temperature control for your food storage needs with Deli, Fresh and Chilled options.

TWIN COOLING PLUS™

- Refrigerator air is kept at higher, near-commercial grade humidity levels to keep perishable fruits and vegetables fresher longer.
- Drier freezer air means less freezer burn for better-tasting frozen foods.

¹ 25.6 cu. ft. measured as per Department of Energy.

² Actual Dual Ice Maker production and storage quantities are 11.5 lbs. and 9.7 lbs. respectively.

Ranked “Highest in customer satisfaction with French Door refrigerators, in a tie.”*

25 cu. ft. French Door Refrigerator with External Water & Ice Dispenser plus Dual Ice Maker

Installing Your Refrigerator

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow 2" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.
4. Allow 1" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entry way in the home is wide enough for the refrigerator to be moved through easily.

Please note: The following dimension and cutout information is for planning purposes only. For complete installation details consult manual packed with product, or download manual on-line at samsung.com.

Dimensions

Total Capacity: 24.6 cu. ft.

SAMSUNG

*Samsung received the highest numerical score for French door refrigerators in a tie in the proprietary J.D. Power 2014 Kitchen Appliance StudySM. Study based on 15,380 total responses measuring 10 French door refrigerators brands and measures opinions of consumers about their new appliance purchased in the past 24 months. Proprietary study results are based on experiences and perceptions of consumers surveyed in January-March 2014. Your experiences may vary. Visit jdpower.com.

Actual color may vary. Design, specifications, and color availability are subject to change without notice. Non-metric weights and measurements are approximate.
