

RZR-14-FS
POLARIS® RZR® FRONT SPEAKER PODS
OWNER'S MANUAL

THANK YOU

Thank you for making the AWESOME decision to purchase our MTX Audio 6.5" weatherproof kick panel speakers for your Polaris® RZR®. With a few simple tools from your trusty toolbox, these speakers are so easy to install that even a 5-year old can do it. Trust us when we say we've tried it. The rotationally molded enclosures are built as a single piece, designed to take years of abuse without failure and the Quick Install Bracket with POD-LOC technology makes mounting them a snap, literally. And of course, who can forget the integrated RGB lighting in the speakers, because, who doesn't like things that light up, right? So, congratulations on your purchase, thanks for your support and most importantly, enjoy the ultimate audio experience with MTX!

Dealer's Name _____

Date of Purchase _____

MAKE SURE TO READ THIS

If the RZR-14-FS kick panel speaker pods are being installed along with the RZR-14-SW subwoofer enclosure, the subwoofer **MUST** be installed first.

IMPORTANT NOTICE

Whenever working on the vehicle, it is recommended to disconnect the battery prior to starting work. Failure to do so may lead to a risk of electric shock or equipment damage.

When connecting power and ground wires ensure that the red power wire is fused at the point where it is connected to the vehicle's battery. Failure to do so can result in damage to the vehicle if a short circuit develops between the vehicle connection point and the product.

IN THE BOX

- RZR-14-FS Kick Panel Speaker Pods (Left and Right Enclosures)
- Mounting Hardware
 - (2) Mounting Brackets
 - (2) 10mm Screws

INSTALLATION

Step 1 - Remove the two (2) T40 screws at the bottom of the kick panel.

Step 2 - Remove the top 13mm body bolt.

Step 3 - Place the custom quick mount speaker bracket.

Step 4 - Reinstall the body bolt and two (2) T40 screws.

Step 5 - Align the bottom of the RZR-14-FS speaker pod with the hooks on the custom quick mount speaker bracket. Tilt the top of the speaker pod toward the outer body until flush against the mounting bracket. Push down until the pod locks in place.

Step 6 - Align the top of the speaker pod with the speaker bracket and insert the supplied 10mm bolt.

Step 7 - Feed wire into dash towards amplifier mounting location. **Note:** In the event these are not used with an MTX THUNDER SYSTEM, it will be necessary to cut off the connectors and hardwire directly to your equipment.

Step 8 - Reassemble and go ride.

WARRANTY PERIOD

At MTX Audio we engineer products that will stand up to the test of time. We also realize that from time to time a problem may occur. That's why our products carry a 2-year limited warranty that begins at the time of sale to the end user.

Of course, we're here to help. If you experience an issue with any of our products within the warranty period, please contact our customer service technical line at 1-800-CALL-MTX to help troubleshoot your issue. If, after speaking with our technical experts it is determined that a problem lies with the product, the technician will provide you with a Return Authorization number and all relevant details you'll need to get the product taken care of.

MITEK WARRANTY

Mitek Mobile products (including, but not limited to: MTX, Coustic, Streetwires, Xtant, BassSlammer, and Thunder Marine) purchased in the USA from an AUTHORIZED MITEK DEALER are guaranteed against defects in material and workmanship for the period of time specified. The warranty period begins the day the product is purchased by the end user, and this warranty is limited to the original retail purchaser of product. Products found to be defective during the warranty period will be repaired or replaced with equivalent product by Mitek at no charge. This warranty is void if it is determined that unauthorized parties have attempted repairs or alterations of any nature, and the warranty does not extend to cosmetics or finish. Mitek disclaims any liability for other incurred or consequential damages resulting from product defects. Mitek's total liability will not exceed the purchase price of the product.
