TeamTicker.

Welcome To TeamTicker!

Thank you for choosing our product and being a valued customer.

We are excited to get you started and hope you have as much fun enjoying your TeamTicker as we had making it.

How To Get Started

1.   Carefully remove your sign from the packaging.

2.   Hang your sign on the wall (preferred method: use the hanging kit included with the product).

3.   Plug in your sign and turn the power on.

4.   Download and install the TeamTicker app for your mobile device from the Apple App Store or Google Play Store.

TeamTicker Manager
Entertainment

1.   Open the TeamTicker app on your mobile device and create your account (have your sign on and close by).

2.   Next, the app will begin scanning Bluetooth devices looking for your sign.

3.   Once the app detects your sign, click the sign icon to register it to your account.

4.   Pick your preferred Wifi network from the list of available networks (2Ghz Wifi connection is required).

5.   Give your sign a name.

Once your sign is connected to Wifi you are ready to enjoy your TeamTicker.
