SPECIFICATIONS

Product Name	ROYAL MOSSA 140
Preassembled Desk Frame	2 stage columns and single motor desk frame
Desk Dimension (W x D x Thickness)	55x24 (in) : 1400 x 600mm
Height range (with desktop)	28 – 45 (in) ; 720-1150 (mm)
Travel Speed	1 (in /sec) ; 25 (mm /sec)
Lifting Capacity	176 (lb) ; 80 (kg)
Noise level	≤50 decibels during motion
Input	100-240V AC, 50/60Hz

ДАТА ИЗГОТОВЛЕНИЯ ПРОДУКЦИИ
год и месяц изготовления продукции указаны в серийном номере продукта.
(существует 2 способа определения даты изготовления, оба способа описаны ниже)
A После S/N: первые две цифры означают год, вторые две – месяц изготовления.
Например, S/N: H**1702**000001 означает, что товар был произведен в феврале 2017 года.
B После S/N: если указаны буквы, то две буквы представляют цифры из таблицы ниже, и означают год, следующие две цифры – месяц изготовления.
Например, S/N: D**A602**REV1000001 означает, что товар был произведен в феврале 2017 года.

1 Place the “Desktop” underside up for all the following assemblies.

⚠ Put the cardboards in Carton#1 under the desktop on the ground to avoid any scratch of the surfaces.

2 Install the “L-shape Supports” on both “Left Lifting Column” and “Right Lifting Column with Motor”.

3 Place the columns on the both sides of desktop. No need to fasten as this has to be done after all parts are aligned.

4 Screw the "Column Foots" and install the foot pads.

5 Assemble the “Main Beam” and paste the “Buffer Pad” on the center beam.

6 Place the “Bracket for Power Unit ”and screw the “Main Beam” on both columns.

7 Screw the columns and main beam into "Desktop" after all holes are aligned.

8 Screw the "Main Beam".

9 Insert the "Drive Rod".

10 Install the "Holders for Rod Cover".

11 Stand the Desk right up. Install the "Cover of Drive Rod" and screw with the "Holders for Rod Cover".

12 Install the "Lifting Controller".

13 HOW TO CONNECT

14 Locate the Power Unit into the Bracket after connecting.

FUNCTION & TROUBLESHOOTING	DISPLAY	INSTRUCTION
Reset the Lifting System	888	Press "▼" to the lowest height. Then release the button and press "▼" for 5 seconds, it will show "rSt" and press "▼" again. It will display the lowest height to complete the reset.
Lock the Height Adjustment	000	Press "▲" and "▼" simultaneously for 5 seconds.
Unlock the Height Adjustment		Press "▲" and "▼" simultaneously for 5 seconds again.
Height Memory	588	Firstly, press "▲" or "▼" to adjust the height. While the height is as expected, press the "number" button for 3 seconds to memorize the height with the corresponding button.
Overheat Protection	Hot	While the lifting unit is over-loading, the height adjustment will automatically inoperable for protection, please wait for 15-20 minutes.
Temporary Malfunction	EE8	1.Follow the "rSt" procedure. Press "▼" to the lowest height. Then release the button and press "▼" for 5 seconds, it will show "rSt" and press "▼" again. It will display the lowest height to complete the reset. If the issue remains, follow the next step. 2.Unplug the AC plug.Check every connection followed by the manual and examine the connectors. 3.Re-connect the AC and Reset the desk.If the malfunction issue remains, please contact the distributor for after-service. Do not fix or open the system by yourself.

CAUTION

Make sure no obstacles are in the desk's path. It is highly suggested to avoid the human underneath as the height movement. The physical injuries from height adjustment are excluded from the after-service.

GLOBAL WARRANTY POLICY

WARRANTY PERIODS OF COUGAR GAMING DEVICES

Product : ROYAL MOSSA 140 Electric Standing Desk
Warranty : 2-Year (For electric parts) / 5-year (For lifting column)
This warranty gives you specific legal rights. You may also have other rights granted under local law. These rights may vary.

WARRANTY AGREEMENT

•If the product has defects in material or manufacture, COUGAR will provide product repair and replacement service within the warranty period.
•Our warranty service is based on the date of the invoice or warranty card.

CONDITIONS WHERE FREE MAINTENANCE IS NOT PROVIDED

•Any fault or damage caused by natural disasters (including storm, fire, flood, thunder, earthquake, etc).
•Any fault or damage caused by accidental factors and man-made reasons (including hit, scrape, crash, moving, compression, stain, corrosion, riot, misuse, malicious damage, etc).
•Use in an improper operating environment (including high temperature, high humidity, water inflow, etc).
•Inability to provide the product warranty card, purchase receipt or invoice to prove the product is still within the warranty period and the shipping date of the product is out of warranty.
•The warranty card has been altered or its number is hard to identify.
•The warranty period has expired.
•Any fault or damage caused by non-compliance with regulations stated on the user manual or improper, rough and careless treatment.
•Any fault or damage caused by use of parts not certified by COUGAR original manufacturer.
•The problem is caused by improper repair or adjustment by the buyer or any manufacturer without authorization from COUGAR.
•The product is not acquired from an authorized distributor of the company or is acquired from illicit sources.
•Paper carton, instruction and other accessories are not warranted.

DISCLAIMERS

•COUGAR products should not be used as critical components in life support devices.
•COUGAR is not liable for any damage of life and limb or damage or loss of property caused by or during COUGAR products' use as or with medical equipment, military equipment, traffic equipment and disaster prevention systems.
•COUGAR's warranty liability is limited to repair or replacement. The decision on whether to repair or replace belongs exclusively to COUGAR.
•COUGAR is, to the extent not prohibited by law, not liable for any damages; expenses; lost data, revenues, savings or profits; or any incidental or consequential damages happened while the use of a defective product from COUGAR or due to its use.

WARNING

•Please wear protective gloves when assembling the Desk. It is your own responsibility to use appropriate protection to prevent any physical damage.
•Do not use abrasive products or scrub energetically when cleaning. Please stick to gentle products suitable for delicate materials.
•All parts should be checked monthly to confirm their integrity and to make sure that the screws are not loose.
•If any part of the product is or appears to be damaged, missing or loose, please contact the local distributor and do not use the product. WARNING
