BLUETOOTH PAIRING:

- With the speaker on tap the MODE button until you reach the Bluetooth mode.
- Search for “SPK-B50-033” under the Bluetooth settings of device you are connecting to e.g. smartphone.

TIP: If password is requested enter “0000” or “1234”

PHONE CALLS:

- When there is an incoming call, the speaker will ring to alert you of the call (any current playback will be paused).
- Tap the power button to answer or press and hold the power button for 2 seconds to reject the call.
- When the call is finished, tap the power button to hang up.
- If the speaker is connected to a smartphone, tapping the power button twice will redial the last number.

TROUBLESHOOTING:

No Power:

- Check battery level and charge if required.
- Try turning on speaker while connected to a power source.
- Try charging the speaker with USB Wall Adapter (like a smart phone charger) instead of a laptop/computer.

USB or Micro SD Card not recognised or files not playing:

- Make sure the USB or Micro SD Card is 32gb or less.
- Check the USB or Micro SD Card has been formatted to the FAT32 or exFAT file system. If the USB/Micro SD Card is new out of the box, we recommend you format it on a Windows based computer first before copying music to it, then using with the speaker.
- Make sure to only use MP3 music files copied to the USB or Micro SD Card.

Cannot find speaker when searching for Bluetooth devices:

- Make sure the speaker is in Bluetooth pairing mode.
- Try turning the speaker off then on and try again.
- Try turning off then on the device you are pairing to.
- Bring the speaker closer to the device you are pairing to.
- If there are any unidentified devices on your Bluetooth search list, try selecting the top or bottom option to see if it pairs with the speaker.

WARRANTY AGAINST DEFECTS

Laser warrants your new product to be free from defects in materials and workmanship for 12 months, from the date of purchase, provided that the product is used in accordance with accompanying recommendations or instructions where provided. The benefit of this warranty is in addition to your rights under the Australian Consumer Law and to other rights and remedies of the consumer under a law in relation to the goods or services to which the warranty relates.

Through a network of retailers and resellers, Laser will provide you with your choice of a refund, repair, or exchange (where possible) for this product if it becomes defective within the warranty period. This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse, normal wear and tear, neglect, or improper storage. **Please retain your receipt as proof of purchase.**

How to make a product warranty claim:

1. Find your receipt with date of purchase. If this is not available, Laser will make an assessment based on the date of manufacture, condition of the product and type of defect.
2. Please contact your original place of purchase. They will assess the nature of the fault and refund or replace the product as per their store refund or warranty policy.
3. If your original place of purchase cannot be contacted, please contact Laser with a description of the fault. To assist our team in providing you with a quick resolution, please include any photos and/or a short video demonstrating the fault with your product.
 - Phone: (02) 9870 3355
 - Email: support@laserco.com.au
 - Online: www.laserco.net/support/warranty and follow the website instructions
 - Business Address: U1 6-8 Byfield Street, Macquarie Park, 2113, NSW, Australia
4. Laser will review your claim and in the first instance, attempt to troubleshoot and resolve the issue for you without the need to return the product.
5. If it is determined via troubleshooting that your product may be faulty, our team will provide instructions to have the product returned for assessment. If the product does need to be returned within the warranty period, Laser will arrange return shipping at no cost to you.
6. Once we receive the product, our experienced technicians will assess it and determine how best to resolve the issue.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
