### Generous capacity

With a generous sized internal cavity of 85L total capacity, you can create several dishes at once using multiple shelves.

### ActiveVent Technology

With ActiveVent technology for optimised moisture levels and AeroTech™ for even heat distribution, you'll get perfect results even when using multiple shelves.

### Cleaning is simple

Pyrolytic self-clean breaks down food residue at a very high temperature, leaving a light ash that's easily removed with a damp cloth.

### Beauty of choice

With the choice of stylish stainless steel or elegant black, you can choose the finish that complements your kitchen design best.
