To live, to love, to laugh.

## INSTRUCTION MANUAL

Version QM : 8717-1.0-24046

To live

————— — To love

—————  
To laugh

# Huuger

To live, to love, to laugh.

## ABOUT US

...

Some "**HUUGER**" moments may cure you of everything.

Derive from the Danish term "Hygge", and convey happiness and contentment to every family. HUUGER is devoted to creating a cosy corner at home.

Surrounded by pieces of furniture you love, and relax in mind. We hope some HUUGER home moments can free you from a busy life. And creating a satisfying home corner, we believe, doesn't mean it costs much. That's why HUUGER always focuses on high-quality, practical, and reasonably-priced products.

# MATTERS NEEDING ATTENTION

---

- You need a helper to finish the installation.
- Don't over-tighten the screws until all the parts are in place. Failure to follow the instructions may cause misalignment of the screws.
- DO NOT let children climb the product.
- To avoid suffocation danger, keep small parts and package materials away from children.
- Adult assembly required. Keep children away during the installation.
- Children should not use it without parents' supervision.
- You could use "corner guard" to protect children from getting hurt by the edges.
- If any parts were missing, broken or wrongly delivered, contact us immediately via email: [service@huuger.com](mailto:service@huuger.com), we are here to help you.

Note: Please install the led strip from the end to the front. Be careful not to tear off the double-sided tape together when removing the tape. After attaching the led strip, you can use a snap to organize the excess wires.

Note: Please refer to the led strip manual for detailed function use.

## ● STEP 1

Mark the location on the wall where the anchors will go.

## ● STEP 2

Follow the mark you made, drill 2 holes into the wall with a 1/4 drill bit.

## ASSEMBLY INSTRUCTION

### ● STEP 3

Use philips head screwdriver or stubby screwdriver, screw the plastic anchors into the holes until they are flush to the wall.

### ● STEP 4

Insert screws K through each metal bracket into the drywall anchors. Tilt your philips head screwdriver, and secure but do not over tighten.
