RoboVac 15T

3X Stronger Suction Power\*

\*Compared with RoboVac 10

FREE Replacement Kit

BUSINESS  
INSIDER

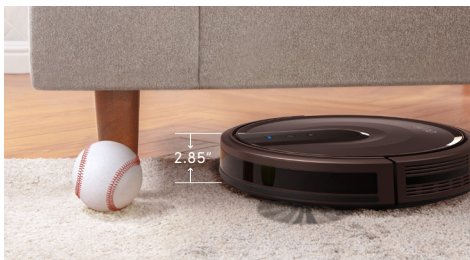

"It navigates around the apartment and all its ledges beautifully."

"I'm a huge fan of robot vacuums and eufy makes some pretty great ones. No matter what your situation, there's something on this list for everyone."

POPULAR  
MECHANICS

"Eufy's lineup of robot vacuums are excellent. For pet owners, tenants with neighbors who like to complain, or anyone who wants to be able to run their robot while at home, Eufy's models are exceptionally quiet."

#### Ultra-Thin Design

RoboVac 15T is only 2.85" thin, so it can remove dirt and dust from under hard-to-clean areas such as beds and couches.

#### Super-Strong Suction

RoboVac 15T sucks up dirt and dust with 1500Pa of suction for a spotless clean you can see and feel.

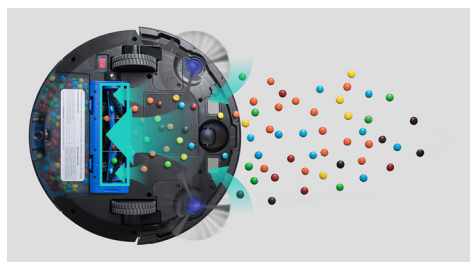

#### BoostIQ™ Technology

Suction power automatically increases within 1.5 seconds when extra vacuuming strength is needed for the best clean.

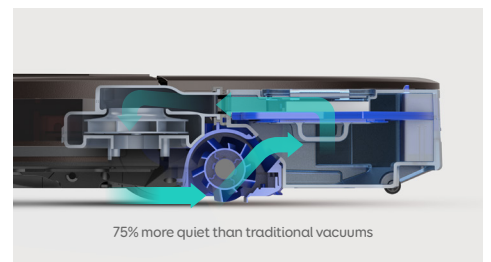

#### Touch-Control Panel

Control cleaning and recharging operations with the gentlest of taps, even when the remote control can't be found.

#### 3-Point Cleaning System

Three brushes and strong suction power effectively loosen, extract, and vacuum dirt to give a superior clean.

#### A Quiet Clean

Advanced brushless motor significantly reduces vacuuming noise.

75% more quiet than traditional vacuums
