Wemo Stage WSC010 User Guide

The **Wemo Stage Smart Scene Controller, WSC010** is a *Bluetooth*®-powered HomeKit® remote that provides a physical way to control the HomeKit Scenes. With the ability to be used as a remote or attached to the wall like a light switch with its magnetic faceplate, the Wemo WSC010 provides a convenient way to control your HomeKit devices without using the Apple® Home app.
