

# Beans wrapped in bacon

Created by  
Appliance

V-ZUG LTD  
Combair-Steam SL from 2015

## Preparation

---

500 g French beans, tender, green

120 g streaky bacon, rashers

Top and tail the beans and remove the stringy threads. Cut the bacon in half crosswise. Tightly wrap 5–7 beans in half a rasher of streaky bacon. Put the wrapped beans in the perforated cooking tray. Put the tray into the cold cooking space. Cook.

**Hot air + steaming 110°C for 10 Mins**

**Steaming 100°C for 10 Mins**

**Hot air + steaming 150°C for 5 Mins**

## Accessories

---

Perforated cooking tray
