4

OPREATION INSTRUCTION

Step 1

Long press the , the speaker will be turned on after hearing the prompt tone. The power indicator light will turn blue and on for 3 seconds. Afterwards, the blue light flashes quickly, indicating the speaker is entering Pairing mode.

Notice:

- A. When the speaker is off, with no Audio cable connected, the speaker will enter Bluetooth Mode directly after turning it on.
B. When the speaker is on, the speaker will enter the corresponding mode to the last connected input (either Audio cable).

Step 2

Turn on the Bluetooth function on your phone or other Bluetooth devices and search for our speaker which is named as A SPEAKER04. Connect with the speaker.

1. Search for A SPEAKER04 Speaker on your phone;
2. Connect with A SPEAKER04 Speaker;
3. Select playing music via A SPEAKER04 Speaker.

Step 3

After pairing successfully, there will be a prompt tone and the blue indicator light will be on constantly.

Step 4

Play music on your phone. The blue indicator light will flash slowly when playing music, and flash slowly when the music is paused.

Step 5

How to connect the sepaker with a new device.

When the speaker is connected with a device, you can double press the play/pause/pairing button to cut this current connection and enter pairing status.

5

INSTALLATION OF THE HOLDER

Step 1

As picture 1 shows, pressing the bulge of the holder, take out the speaker before installing the holder.

Step 2

As picture 2 shows, screw out the screws from the holder.

Step 3

Put the non-slip mat 1 into the ring of the holder, fix the holder onto the bike through the ring, and tighten the holder with screw which has been taken out in step 2.

Note:

If the steering axle is too thin and can not be fixed with only 1 non-slip mat, you can put mat 1 & 2 into the ring, pass the steering axle through the ring, then tighten the holder with screw.

If the holder is still loose, you can fold the non-slip mat 2, and put the mat 1 & folded mat 2 into the ring, pass the steering axle through the ring, then tighten the holder with screw.

Step 4

After installing the holder, you can push the speaker into the holder. Upon hearing a click, the speaker is installed well.

6

CONNECTION MEMORY FUNCTION OF THE SPEAKER

The speaker will automatically connect to the last paired device, Therefore, please ensure BT function of the device is on, after turning the speaker on.

TEL FUNCTION OF THE SPEAKER

FCC Warning:

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

RF Warning Statement:

The device has been evaluated to meet general RF exposure requirements. The device can be used in portable exposure conditions without restriction.
